Dear Joe Baby:-

Thursday four P.M.
and a beautiful day. Hows
the weather up in your
nest of the woods? Had the "Hittail"
for lunch today and a
most enjoyable time was
had by everyone. I guess.

Mrs Tuttle tells me
you want \$2.00 for the dance
Is it a dinner dance?

Wish I might peep in
when you are dancing.

I have a I.L. for you.

Mrs Stone said today she
thought you were one of
the most attracting girls
she ever knew. How that
should hold you for awhile

Hope you have been
feeling your old self again

Don't forget to ask just
how much your Room & board
will be for Dec. it will
save my writing the Chief
Clerk.

Fri. 9.m. I will have
to ring off as want Daddy
to get this off on first mail.
No news. mail.

Mother.
